These matters are more fully described in the Proxy Statement accompanying this Notice.

A quorum comprising the holders of the majority of the outstanding shares of Common Stock of the Company on the record date must be present or represented by proxy for the transaction of business at the Annual Meeting. PROXY STATEMENT  
FOR  
2006 ANNUAL MEETING OF STOCKHOLDERS  
OF  
AEROCENTURY CORP.  
TO BE HELD ON APRIL 27, 2006

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of AEROCENTURY CORP. (the "Company") of proxies to be voted

at the 2007 Annual Meeting of Stockholders (the "2006 Annual Meeting" or the "Annual Meeting"), which will be held at 5:30 p.m. on April 27, 2006, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2006 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 23, 2006. The Company's 2005 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2005 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

#### VOTING RIGHTS AND SOLICITATION

The close of business on March 1, 2006, was the record date for stockholders entitled to notice of and to vote at the 2006 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2006 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered, with respect to those shares, the "stockholder of record" and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. The Company has enclosed a proxy card for your use, which should be returned to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held "in street name" and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. Your broker or nominee has enclosed a voting instruction card for your use, which must be returned to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2006 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of each of the directors as described herein under "Proposal 1: Election of Directors" and FOR ratification of the selection of accountants as described herein under "Proposal 2: Ratification of Selection of Independent Auditors." Management does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxyholders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but which, as of the date hereof, are unknown to the Board of Directors. In addition, the Proxies confer upon the proxyholders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting. Election of directors by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy. Ratification of the selection of accountants shall be determined by a majority of the votes cast by the stockholders of record entitled to vote at the Annual Meeting.

Abstentions and broker non-votes are each included in the determination of the number of shares present for quorum purposes. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders and have the same effect as a negative vote. Broker non-votes are not counted for purposes of determining whether a proposal has been approved and therefore, do not have the same effect as votes in opposition to a specific proposal.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, telegraph or special letter by officers and regular Company employees for no additional compensation.

Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

#### HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders in a stockholder's household. The Company will promptly deliver a separate copy of either document to any stockholder who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010, requesting such copies. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

#### PROPOSAL 1 ELECTION OF DIRECTORS

Two of the Company's six directors will be elected at the 2006 Annual Meeting. The nominees for the Board of Directors are set forth below. The proxy holders intend to vote all proxies received by them in the accompanying form FOR the nominees for director listed below, unless instructions to the contrary are marked on the proxy. In the event that a nominee is unable or declines to serve as a director at the time of the 2006 Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them for the nominees listed below. As of the date of this Proxy Statement, the Board of Directors is not aware of any nominee who is unable or will decline to serve as a director. The term of office of each person elected as a director at the Annual Meeting will continue until the 2009 Annual Meeting of Stockholders or until the director's successor has been elected.

The Company's Auditors, PricewaterhouseCoopers LLP, are responsible for expressing an opinion on the fairness and conformity of the Company's audited financial statements to generally accepted accounting principles. #### Board Meetings And Committees

The Board of Directors of the Company held a total of five meetings during the fiscal year ended December 31, 2005 (the "2005 fiscal year"). Each director attended every meeting of the Board and every meeting held by all committees of the Board on which the director served, with the exception of Mr. Orr, who was absent for the two meetings that took place on April 28, 2005.

The Company has an Audit Committee and an Executive Committee of the Board of Directors. The Audit Committee operates under a Charter approved by the Board of Directors. A copy of the Charter is attached hereto as Appendix A. The Audit Committee meets with the Company's financial management and its independent auditors to review internal financial information, audit plans and results, and financial reporting procedures. This committee currently consists of Thomas W. Orr, Chair, and Evan M. Wallach. The Board has determined that Mr. Orr and Mr. Wallach are independent within the meaning of "independence" as set forth in the rules of the American Stock Exchange Company Guide.

The Board of Directors has determined that at least one member of the Audit Committee is a "financial expert" within the meaning of Item 401(e)(1) of Regulation S-B of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Orr is both a "financial expert" within the meaning of such regulation and is also "independent" within the meaning of Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Company LLP and Arthur Young & Company, Certified Public Accountants. In the course of his career, Mr. Orr acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions. The Audit Committee held six meetings during the 2005 fiscal year, and has held two meetings in the 2006 fiscal year to date.

The Executive Committee has the authority to acquire, dispose of and finance

investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of three directors, Neal D. Crispin, Chairman, Toni M. Perazzo and Marc J. Anderson.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by Stockholders, this does not mean that a recommendation would not be considered if received from a Stockholder. The Board has not yet considered a procedure for considering nominees recommended by Stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board would evaluate a nominee for director whether recommended by a Stockholder or recommended by a member of the Board or one of the Company executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

#### Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for Stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. Director Attendance at Annual Meeting It is the policy of the Company and Board of Directors that directors attend the Annual Meeting of Stockholders and be available for questions from the Stockholders. Two sitting directors nominated for election were in attendance at the 2005 Annual Meeting of Stockholders. It is anticipated that both directors nominated for election at the 2006 Annual Meeting also will be in attendance at that meeting.

#### Board Independence

If all of the nominees to the Board of Directors are elected, "independent directors," as that term is used in the American Stock Exchange Company Guide, will constitute 50% of the entire Board of Directors of the Company.

#### Involvement in Legal Proceedings.

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or any of its subsidiaries or with a material interest adverse to the Company or any of its subsidiaries.

#### Director Compensation

Non-employee members of the Board are each paid an annual fee of \$14,000 and are reimbursed for all reasonable out-of-pocket costs incurred in connection with their attendance at such meetings. Non-employee members also receive \$1,000 annually for each committee membership. Board members who are officers of the Company do not receive any compensation for Board or committee membership.

AEROCENTURY CORP.  
AUDIT COMMITTEE  
CHARTER  
Revised February, 2003

#### I. ORGANIZATION

The Audit Committee shall be comprised of two or more directors, as determined by the Corporation's Board of Directors (the "Board"). The Audit

Committee members shall be designated by the Board and shall serve at the discretion of the Board.

Each member of the Audit Committee shall be an independent director. For purposes hereof, an "independent director" shall be one:

- o who accepts no consulting, advisory or other compensatory fee from the Corporation other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board or is not otherwise an affiliated person of the Corporation, and
- o who is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.

Each member of the Audit Committee shall be able to read and understand fundamental financial statements in accordance with the rules of the American Stock Exchange (the "AMEX") audit committee requirements. At least one member shall have past employment experience in finance or accounting, a professional certification in accounting or other comparable experience or background that results in the individual's possessing the requisite financial sophistication, including a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities.

## II. STATEMENT OF POLICY

The Audit Committee is appointed by the Board to oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation and to have the sole responsibility for the appointment, compensation, oversight and termination of the Corporation's independent auditors ("Auditors"). The Audit Committee shall further provide assistance and expertise to the full corporate board of directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the Auditors, and the financial management of the Corporation. In addition, the Audit Committee shall review the policies and procedures adopted by the Corporation to fulfill its responsibilities regarding the fair and accurate presentation of financial statements in accordance with generally accepted accounting principles and applicable rules and regulations of the Securities and Exchange Commission and the AMEX audit committee requirements.

## III. POWERS

The Audit Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to engage independent counsel and other advisers, as it determines necessary to carry out its duties. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Those tasks are the responsibility of management and the independent auditor. The Board and the Committee are in place to represent the Corporation's stockholders. Accordingly, the independent auditor is ultimately accountable to the Board and the Committee.

non-audit services provided by the Auditors to the Corporation, other than as may be allowed by applicable law. The Committee may delegate to one or more designated Committee members the authority to grant pre-approvals required by the foregoing sentence. The decisions of any Committee member to whom authority is delegated hereunder shall be presented to the Committee at each of its scheduled meetings. The Auditors shall be ultimately accountable to the Board and to the Committee as representatives of the Corporation's stockholders.

b. Review the independence of the Auditors, including a review of management consulting services, and related fees, provided by the Auditors. The Committee shall request that the Auditors at least annually provide a formal written statement delineating all relationships between the Auditors and the Corporation consistent with the AMEX audit committee requirements and request information from the Auditors and management to determine the presence or absence of a conflict of interest. The Committee shall actively engage the Auditors in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the Auditors. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the Auditors.

3. Review and discuss with management, before release, the audited financial statements and the Management's Discussion and Analysis proposed to be included in the Corporation's Annual Report on Form 10-KSB. Make a recommendation to the Board whether or not the audited financial statements should be included in the Corporation's Annual Report on Form 10-KSB.

b. The Auditors' audit of the financial statements and their report thereon.

c. The Auditors' reports regarding critical accounting policies, alternative treatments of financial information and other material written communications between the auditors and management.

d. Any deficiency in, or suggested improvement to, the procedures or practices employed by the Corporation as reported by the Auditors in their annual management letter.

f. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.

6. Discuss with the Auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as modified or supplemented.

7. Obtain from the Auditor assurance that it has complied with Section

10A of the Securities Exchange Act of 1934.

8. Establish procedures for (a) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by the Corporation's employees of concerns regarding questionable accounting or auditing matters.

9. Prepare a report in the Corporation's proxy statement in accordance with SEC requirements.

10. Review accounting and financial human resources and succession planning with the Corporation.
