**PROXY STATEMENT
FOR
2010 ANNUAL MEETING OF STOCKHOLDERS
OF
AEROCENTURY CORP.
TO BE HELD ON APRIL 29, 2010**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of AEROCENTURY CORP. (the "Company") of proxies to be voted at the 2010 Annual Meeting of Stockholders (the "2010 Annual Meeting" or the "Annual Meeting"), which will be held at 6:00 p.m. on April 29, 2010, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2010 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 22, 2010. The Company's 2009 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2009 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on March 1, 2010, was the record date for stockholders entitled to notice of, and to vote at, the 2010 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the "Common Stock"), issued and outstanding. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2010 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered, with respect to those shares, the "stockholder of record" and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. The Company has enclosed a proxy card for your use, which should be returned to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held "in street name" and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. Your broker or nominee has enclosed a voting instruction card for your use, which must be returned to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2010 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of each of the director nominees as described herein under "Proposal 1: Election of Directors"; and FOR ratification of the selection of BDO Seidman, LLP as independent registered public accounting firm as described herein under "Proposal 2: Ratification of Selection of Independent Registered Public Accounting Firm." The Company does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but which, as of the date hereof, are unknown to the Company. In addition, the proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting by: (1) delivering to the Company (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) a written notice of revocation, (2) delivering a duly executed proxy or voting instructions bearing a later date before the Annual Meeting (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) or (3) attending the Annual Meeting and voting in person.

A "broker non-vote" occurs when a broker lacks discretionary voting power to vote on a "non-routine" proposal and a beneficial owner fails to give the broker voting instructions on that matter. The rules of the New York Stock Exchange determine whether matters presented at the Annual Meeting are "routine" or "non-routine" in nature. As the result of a recent rule change, the election of directors is no longer considered a "routine" matter. Beneficial owners who hold their shares through a stock brokerage account will have to give voting instructions to their brokers in order for a broker to vote on the election of directors. ***If you are a beneficial owner, failure to provide instructions to your broker will result in your shares not being voted in connection with the election of directors.*** The ratification of the selection of BDO Seidman, LLP as the Company's independent registered public accounting firm for fiscal year 2010 is currently considered a "routine" matter, and a broker has the discretionary voting power to vote on this matter without any instructions from the beneficial owner. Broker non-votes are counted for purposes of determining a quorum, but will have no effect on the election of directors or the ratification of the selection of BDO Seidman, LLP.

Proposal 1. The election of directors by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy, and the nominees receiving the greatest number of affirmative votes of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting will be elected, provided a quorum is present. Abstentions and broker non-votes will not be

counted toward a nominee's total. Because brokers, banks or other nominees who hold shares "in street name" do not have discretionary voting authority over such shares in elections of directors, shares held "in street name" will not be voted in this election of directors unless the holders specifically instruct their brokers, banks or other nominees on how to vote.

Proposal 2. Ratification of the Company's selection of independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will have the same effect as votes against the proposal. As stated above, a broker, bank or other nominee that holds shares "in street name" has discretionary voting power to vote on this matter in the absence of instruction from the beneficial owner.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, telegraph or special letter by officers and Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders sharing the same household. The Company will promptly deliver a separate copy of either document to any stockholder requesting such copies that contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, the stockholder should contact the stockholder's broker, other nominee record holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

The Board of Directors has concluded that Mr. Hahn should serve as a director of the Company because of his knowledge of the Company's business and history, his status as an "audit committee financial expert" and his overall expertise in accounting and finance principles and international finance transactions.

Ms. Toni M. Perazzo, age 63. Ms. Perazzo is a member of the Executive Committee of the Board of Directors and has served on the Board since the Company's inception in 1997. She is the Company's Chief Financial Officer, Treasurer, Senior Vice President-Finance and Secretary and has held these same positions with JetFleet Management Corp ("JMC"), the management company for AeroCentury Corp., since 1994, and CMA Consolidated, Inc. ("CMA"), an investment management firm which is no longer active, since 1990. Since 2005, she has also been Senior Vice President-Finance at Structured Funding, Inc., an investment management firm. Prior to joining CMA in 1990, she was Assistant Vice President for a savings and loan, controller of an oil and gas syndicator and a senior auditor with Arthur Young & Co., Certified Public Accountants. Ms. Perazzo is the wife of Neal D. Crispin, a director and officer of JMC and the Company. She received her Bachelor's Degree from the University of California at Berkeley, and her Master's Degree in Business Administration from the University of Southern California. Ms. Perazzo is a certified public accountant and member of the California Society of Certified Public Accountants and the American Institute of Certified Public Accountants.

The Board of Directors has concluded that Ms. Perazzo should serve as a director of the Company because of her knowledge of the Company's business and history, capitalization structure and finances, and her accounting and audit experience, as well as her many years of experience with JMC.

The following director has a term expiring at the Company's 2012 Annual Stockholder Meeting:

Mr. Thomas W. Orr, age 76. Mr. Orr has served on the Company's Board of Directors since 1997, and was also, during that time, Chair of the Audit Committee of the Board of Directors. Mr. Orr is currently a self-employed consultant on accounting matters. Since 2003, Mr. Orr has served as a Director of InsWeb, a publicly traded online insurance marketplace. From 1992 until 2002, he was a partner at the accounting firm of Bregante + Company LLP. Prior to that, beginning in 1986, Mr. Orr was Vice President, Finance, at Scripps League Newspapers, Inc. Beginning in 1958, Mr. Orr was in the audit department of Arthur Young & Co., Certified Public Accountants, where he retired as a partner in 1986. Mr. Orr received his Bachelor's Degree in Business Administration, with distinction (Accounting major), from the University of Minnesota. Mr. Orr is a member of the American Institute of Certified Public Accountants, the California Society of Certified Public Accountants, and a former member of the California State Board of Accountancy.

The Board of Directors has concluded that Mr. Orr should serve as a director of the Company because of his knowledge of the Company's business and history, his status as an "audit committee financial expert," and his experience with and understanding of corporate governance principles.

Board Meetings and Committees

The Board of Directors of the Company held a total of six meetings during the fiscal year ended December 31, 2009. During the last year, no incumbent director attended fewer than 75% of the meetings of the Board of Directors and its committees on which he or she served that were held during the period in which he or she was a director.

The Company has an Audit Committee and an Executive Committee of the Board of Directors. The Audit Committee operates under a charter approved by the Board of Directors. A copy of the Audit Committee Charter was filed as an appendix to the Company's proxy statement for the annual meeting of stockholders held on May 1, 2008. The Audit Committee meets with the Company's financial management and its independent registered public accounting firm to review internal financial information, audit plans and results, and financial reporting procedures. This committee currently consists of Thomas W. Orr, Chair, Roy E. Hahn, and Evan M. Wallach. The Board has determined that Messrs. Orr, Hahn and Wallach are independent within the meaning of

"independence" as set forth in the NYSE Amex rules.

The Board of Directors has determined that at least two members of the Audit Committee, Messrs. Orr and Hahn, are "audit committee financial experts" within the meaning of Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended. Each of Messrs. Orr and Hahn is also an "independent director" within the meaning of Section 803A of the NYSE Amex Rules. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Company LLP and Arthur Young & Co., Certified Public Accountants. Mr. Hahn is a founder of Marbridge Group, LLC, an alternative investment management firm, and prior to that was a tax partner in the accounting firm of Coopers & Lybrand. In the course of their respective careers, each of Messrs. Orr and Hahn acquired (i) an

understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

The Audit Committee held six meetings during the fiscal year ended December 31, 2009.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of two directors, Neal D. Crispin, Chairman, and Toni M. Perazzo.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by stockholders, this does not mean that a recommendation would not be considered if received from a stockholder. The Board has not yet considered a procedure for considering nominees recommended by stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board of Directors would evaluate a nominee for director whether recommended by a stockholder or recommended by a member of the Board of Directors or one of the Company's executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees. Additionally, other than attempting to constitute the Board of Directors with directors who have skills and experience that are relevant and helpful to the Company's industry and operations and who have the desire and capacity to actively serve, the Board of Directors does not have a policy of considering diversity in identifying director nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

Board Leadership Structure

The Board believes that the Company's President is best situated to serve as Chairman of the Board because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities for the Company, leading the Board in discussions regarding the Company's business and industry, and focusing the Board on execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and its industry, while the President brings Company-specific and industry-specific experience and expertise. The Board believes that the combined role of Chairman and President promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

The Board believes that the combined role of Chairman and President promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Board of Directors' Role in Risk Oversight

The Company is exposed to a number of operational and financial risks. The Board plays an active role in overseeing management of such risks. The Company's President (who is himself a member of the Board) is directly responsible for a number of operational risks, such as the risks inherent in acquiring and owning used aircraft or engines, the risks associated with leasing such aircraft or engines to air carriers, and the risks inherent in disposing of such aircraft or engines. The Board regularly receives reports from the President on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Company's Chief Financial Officer (who is herself a member of the Board) is directly responsible for a number of financial risks, such as the risks associated with the Company's credit and liquidity. The Board regularly receives reports from the Chief Financial Officer on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Board also meets and confers regularly with the Company's management to identify other risks faced by the Company. The Company believes that the inclusion of these members of senior management of the Company on the Board provides the Board with visibility into and access to the details underlying the risks the Company faces, and thereby enhances the quality of the Board's risk oversight. Also, the Audit Committee oversees management of certain specific financial risks, such as variable interest rate risk.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting and be available for questions from the stockholders. All directors, including the director nominated for election, were in attendance at the 2009 Annual Meeting. It is anticipated that the directors nominated for election at the 2010 Annual Meeting also will be in attendance at that meeting.

Board Independence

If all of the nominees to the Board of Directors are elected, a majority of the Board of Directors of the Company, consisting of Messrs. Orr, Hahn and Wallach, will be "independent directors," as defined in accordance with Section 803A of the NYSE Amex Rules.

Involvement in Legal Proceedings

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or any of its subsidiaries or with a material interest adverse to the Company or any of its subsidiaries.

Director Compensation

In 2010, non-employee members of the Board will be paid an annual fee of \$20,000 and are reimbursed for all reasonable out-of-pocket costs incurred in connection with their attendance at such meetings of the Board of Directors. Non-employee members also receive \$1,000 annually for each committee membership, and the audit committee chair receives an additional \$3,000. Board members who are officers of the Company do not receive any compensation for Board or committee membership. No member of the Company's Board of Directors receives equity compensation in relation to his/her service as a member of the Company's Board of Directors.

The table below provides the compensation of the Company's directors for the fiscal year ended December 31, 2009:

Executive Compensation

Executive Compensation

Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its executive officers. Instead, the executive officers of the Company are compensated in their capacities as employees of JMC. JMC is an at-will employer, and none of the Company's current executive officers has an employment agreement with JMC. The compensation paid by JMC to the Company's executive officers consists solely of base salary plus bonus payments. Bonus payments are determined annually at the sole discretion of Mr. Crispin as the President of JMC.

The following table sets forth certain information for the fiscal years ending December 31, 2009 and December 31, 2008 concerning compensation paid by JMC to the Company's executive officers who were serving as such at December 31, 2009:

Summary Compensation Table

<u>Name and Position</u>	<u>Year</u>	<u>Salary(\$)</u>	<u>Bonus(\$)</u>	<u>All Other Compensation(\$)</u>	<u>Total(\$)</u>

	2008	1	0	210,000 (1)	210,001
Toni M. Perazzo, Sr. Vice President-Finance, CFO	2009	315,000	0	0	315,000
	2008	190,000	16,500	0	206,500

(1) Paid by JMC to an affiliate of Mr. Crispin as a success-based fee in connection with services rendered to JMC in connection with the Company's subordinated debt financing.

JMC Management Fee and Risk Management

Because the Company has no employees, it has no compensation policies or practices that are reasonably likely to have a material adverse effect on the Company. However, the structure of the Company's management fee arrangement with JMC may affect the Company's risk exposure. All decisions regarding acquisitions and disposal of aircraft from the Company's portfolio are made by JMC. JMC is paid a management fee based on the net asset value of the Company's portfolio. JMC also receives a one-time asset acquisition fee upon purchase of an aircraft by the Company, and a one-time sale fee upon disposal of an aircraft. Under this management fee structure, a larger volume of acquisitions generates acquisition fees and also increases the periodic management fee by increasing the size of the aircraft portfolio. This management fee structure may create a situation where a decision by JMC for the Company to forego an asset acquisition transaction deemed to be an unacceptable business risk due to the lessee or the aircraft type is in conflict with JMC's own pecuniary interest, and conversely a situation where a decision by JMC for the Company to pursue an asset acquisition transaction that presents significant business risk due to the lessee or the aircraft type furthers JMC's own pecuniary interest. As a result, the management fee structure could act to incent greater risk-taking by JMC in asset acquisition decision-making. All acquisition decisions by JMC on behalf of the Company, however, currently require the approval of the lender participants in the Company's syndicated credit facility of both the asset acquired and the lessee in order to be included in the Company's borrowing base, and the Company has established objective target guidelines for yields on acquired assets. Further, any acquisition that involves a new asset type must be approved by the Board, including the outside independent directors. While the Company currently believes the foregoing are effective mitigating factors against undue compensation-incented risk-taking by JMC, there is no assurance that such mechanisms can entirely and effectively eliminate such risk.

Compensation Committee Interlocks And Insider Participation

Neal D. Crispin and Toni M. Perazzo are executive officers and directors of both the Company and JMC. As described above under "Employee Compensation," the Company receives management services from JMC and has no employees and does not pay any compensation to its executive officers. The Company does not have a compensation committee because it has no employees. None of the Company's executive officers serves on a compensation committee (or any other committee of the board of directors performing similar functions), and there were no interlocks or insider participation between any member of the Board of Directors and any member of the board of directors or any compensation committee of another entity.
