**PROXY STATEMENT
FOR
2013 ANNUAL MEETING OF STOCKHOLDERS
OF
AEROCENTURY CORP.
TO BE HELD ON MAY 9, 2013**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board”) of AEROCENTURY CORP. (the “Company”) of proxies to be voted at the 2013 Annual Meeting of Stockholders (the “2013 Annual Meeting” or the “Annual Meeting”), which will be held at 12:00 p.m. on May 9, 2013, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2013 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 28, 2013. The Company's 2012 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2012 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on March 11, 2013, was the record date for stockholders entitled to notice of, and to vote at, the 2013 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the “Common Stock”), issued and outstanding, excluding shares held by the Company as treasury stock. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2013 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered the “stockholder of record” with respect to these shares and the Company is sending these proxy materials directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. To grant your voting proxy, you should return the enclosed proxy card to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held “in street name” and your broker or nominee, who is considered the stockholder of record with respect to those shares, is forwarding these proxy materials to you. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. To direct your broker or nominee on how to vote your shares, you must return the enclosed voting instruction card to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2013 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of the director nominees as described herein under “Proposal 1: Election of Directors”; FOR approval, in an advisory (non-binding) vote, of the Company's executive compensation as disclosed in this Proxy Statement as described herein under “Proposal 2: Advisory Vote on Executive Compensation”; FOR approval of an advisory (non-binding) proposal that the advisory (non-binding) stockholder vote to approve executive compensation occur every year as described herein under “Proposal 3: Advisory Vote on Frequency of an Advisory Vote on Executive Compensation”; and FOR ratification of the selection of BDO USA, LLP as independent registered public accounting firm as described herein under “Proposal 4: Ratification of Selection of Independent Registered Public Accounting Firm.” The Company does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but are unknown to the Company as of the date hereof. In addition, the proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting by: (1) delivering to the Company (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) a written notice of revocation, (2) delivering a duly executed proxy or voting instructions bearing a later date before the Annual Meeting (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) or (3) attending the Annual Meeting and voting in person.

A “broker non-vote” occurs when a broker lacks discretionary voting power to vote on a “non-routine” proposal and a beneficial owner fails to give the broker voting instructions on that matter. The rules of the New York Stock Exchange determine whether matters presented at the Annual Meeting are “routine” or “non-routine” in nature. The election of directors, the advisory vote on executive compensation and the advisory vote on the frequency of the advisory vote on executive compensation are considered “non-routine” matters. Beneficial owners who hold their shares through a stock brokerage account will have to give voting instructions to their brokers in order for a broker to vote on these non-routine matters. ***If you are a beneficial owner, failure to provide instructions to your broker will result in your shares not being voted in connection with these non-routine matters.*** The ratification of the selection of BDO USA, LLP as the Company's independent registered public accounting firm for fiscal year 2013 is currently considered a “routine” matter, and a broker has the discretionary voting power to vote on this matter without any instructions from the beneficial owner. Broker non-votes are counted for purposes of determining a quorum, but will have no effect on the election of directors, the advisory vote on executive compensation, and the advisory vote on the

frequency of the advisory vote on executive compensation. Broker non-votes will have the same effect as votes against the ratification of the selection of BDO USA, LLP.

Stockholder Vote Required to Approve Proposal 1. The election of a director by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy, and the nominees receiving the greatest number of affirmative votes of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting will be elected, provided a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee's total. Because brokers or other nominees who hold shares "in street name" do not have discretionary voting authority over such shares in an election of directors, shares held "in street name" will not be voted in this election for a director unless the holder specifically instructs the holder's brokers or other nominees on how to vote.

Stockholder Vote Required to Approve Proposal 2. The proposal on approval of executive compensation will be approved in a non-binding advisory vote if the votes cast in favor exceed the votes cast against approval. Abstentions and broker non-votes will not be counted as either a vote "For" or "Against" Proposal 2. Because brokers or other nominees who hold shares "in street name" do not have discretionary voting authority over such shares in such non-routine matters, shares held "in street name" will not be voted on this advisory vote on executive compensation unless the holders specifically instruct their brokers or other nominees on how to vote.

Stockholder Vote Required to Approve Proposal 3. The frequency of the advisory vote on executive compensation will be determined in a non-binding advisory vote by the interval (1, 2 or 3 years) receiving the greatest number of votes cast. Abstentions and broker non-votes will not be counted as a vote for either 1 year, 2 years or 3 years with respect to Proposal 3. Because brokers or other nominees who hold shares "in street name" do not have discretionary voting authority over such shares in such non-routine matters, shares held "in street name" will not be voted on this advisory vote on the frequency of the advisory vote on executive compensation unless the holders specifically instruct their brokers or other nominees on how to vote.

Stockholder Vote Required to Approve Proposal 4. Ratification of the Company's selection of independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will have the same effect as votes against the proposal. As stated above, a broker or other nominee that holds shares "in street name" has discretionary voting power to vote on this matter in the absence of instruction from the beneficial owner.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, facsimile or special letter by officers and Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders sharing the same household. The Company will promptly deliver a separate copy of either document to any stockholder requesting such copies who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, the stockholder should contact the stockholder's broker, other nominee record holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

**PROPOSAL 2:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Company is requesting your advisory approval of the compensation of the Company's named executive officers as disclosed in the compensation table and the narrative discussion set forth in this Proxy Statement. This non-binding advisory vote is commonly referred to as a "say on pay" vote. Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its named executive officers. Instead, the named executive officers of the Company are compensated in their capacities as employees of JMC. You are encouraged to carefully review the information concerning compensation paid by JMC to the Company's named executive officers beneath the caption "Executive Compensation" in the section of this Proxy Statement entitled "Information Regarding the Company's Directors and Officers".

The Company asks you to indicate your support for the compensation of the Company's named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the practices described in this Proxy Statement. Accordingly, the Company requests that you vote, on an advisory basis, "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, is hereby approved."

While the results of this advisory vote are not binding, the Board of Directors will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for named executive officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

**PROPOSAL 3:
ADVISORY VOTE ON FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION**

You are being provided with the opportunity to cast an advisory vote on how frequently the Company should seek an advisory vote on the compensation of its named executive officers, commonly referred to as a "say on pay" vote, as provided in Proposal 2. This non-binding advisory vote is commonly referred to as the "frequency of say on pay" vote. Under this Proposal 3, you may vote on whether you would prefer to have a "say on pay" vote every year, every 2 years or every 3 years.

The Board of Directors believes that the "say on pay" advisory vote should be conducted every year. An annual advisory vote on executive compensation will allow the Company's stockholders to provide input on the Company's compensation practices as disclosed in the proxy statement every year.

You may cast your vote on your preferred "say on pay" voting frequency by choosing the option of 1 year, 2 years or 3 years or abstain from voting when you vote in response to the resolution set forth below.

"RESOLVED, that the option of 1 year, 2 years, or 3 years that receives the highest number of votes cast on this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder vote to approve the compensation of the named executive officers, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules."

You are not voting to approve or disapprove the Board of Director's recommendation.

While this advisory vote on the frequency of the "say on pay" vote is non-binding, the Board of Directors will give careful consideration to the choice that receives the most votes when considering the frequency of future "say on pay" votes.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR A "1 YEAR" FREQUENCY FOR FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION.

**PROPOSAL 4:
RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**PROPOSAL 4:
RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of BDO USA, LLP served as independent registered public accounting firm for the Company for the fiscal year ended December 31, 2012. The Board of Directors desires the firm to continue in this capacity for the current fiscal year. Accordingly, a proposal will be presented at the Annual Meeting to ratify the selection of BDO USA, LLP by the Board of Directors as independent registered public accounting firm to audit the accounts and records of the Company for the fiscal year ending December 31, 2013, and to perform other appropriate services. In the event that stockholders fail to ratify the selection of BDO USA, LLP, the Board of Directors will reconsider such selection.

A representative of BDO USA, LLP will be present at the Annual Meeting, will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE SELECTION OF BDO USA, LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

The aggregate fees accrued by the Company as payable to BDO USA, LLP (the “Auditor”) for professional services rendered for the audit of the Company's financial statements for the fiscal year ended December 31, 2012, and for the review of the financial statements included in the Company's Forms 10-Q during the 2012 fiscal year was \$256,000. All Other Fees. No other fees were paid to the Auditor in the fiscal years ended December 31, 2011 and 2012.

Audit Committee Approval. The retainer agreements between the Company and the Auditor containing the terms and conditions and estimated fees to be paid to the Auditor for audit and tax return preparation services were pre-approved by the Audit Committee at the beginning of their respective engagements. The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Auditor. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chair when expedition of services is necessary. One hundred percent of the audit-related fees and tax fees paid to the Auditor in the fiscal years ended December 31, 2011 and 2012 were pre-approved by the Audit Committee. The Auditor and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the Auditor in accordance with this pre-approval, and the fees for the services performed to date. Board Meetings and Committees

The Board of Directors of the Company held a total of five meetings during the fiscal year ended December 31, 2012. During the last year, no incumbent director attended fewer than 75% of the meetings of the Board of Directors and its committees on which he or she served that were held during the period in which he or she was a director.

The Company has an Audit Committee and an Executive Committee of the Board of Directors. The Audit Committee operates under a charter approved by the Board of Directors. The Audit Committee meets with the Company's financial management and its independent registered public accounting firm to review internal financial information, audit plans and results, and financial reporting procedures. This committee currently consists of Thomas W. Orr, Chair, Roy E. Hahn, and Evan M. Wallach. The Board has determined that Messrs. Orr, Hahn, and Wallach are independent within the meaning of "independence" as set forth in the NYSE MKT Company Guide.

The Board of Directors has determined that at least two members of the Audit Committee, Messrs. Orr and Hahn, are "audit committee financial experts" within the meaning of Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended. Each of Messrs. Orr and Hahn is also an "independent director" within the meaning of Section 803A of the NYSE MKT Company Guide. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Company LLP and Arthur Young & Co., Certified Public Accountants. Mr. Hahn is a founder of Marbridge Group, LLC, an alternative investment management firm, and prior to that was a tax partner in the accounting firms of Coopers & Lybrand and Arthur Young & Co. In the course of their respective careers, each of Messrs. Orr and Hahn acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

The Audit Committee held six meetings during the fiscal year ended December 31, 2012.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of two directors, Neal D. Crispin, Chair, and Toni M. Perazzo.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by stockholders, this does not mean that a recommendation would not be considered if received from a stockholder. The Board has not yet considered a procedure for considering nominees recommended by stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board of Directors would evaluate a nominee for director whether recommended by a stockholder or recommended by a member of the Board of Directors or one of the Company's executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees. Additionally, other than attempting to constitute the Board of Directors with directors who have skills and experience that are relevant and helpful to the Company's industry and operations and who have the desire and capacity to actively serve, the Board of Directors does not have a policy of considering diversity in identifying director nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

Board Leadership Structure

The Board believes that the Company's President is best situated to serve as Chairman of the Board because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities for the Company, leading the Board in discussions regarding the Company's business and industry, and focusing the Board on execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and its industry, while the President brings Company-specific and industry-specific experience and expertise. The Board believes that the combined role of Chairman and President promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Board of Directors' Role in Risk Oversight

The Company is exposed to a number of operational and financial risks. The Board plays an active role in overseeing management of such risks. The Company's President (who is himself a member of the Board) is directly responsible for a number of operational risks, such as the risks inherent in acquiring and owning used aircraft or engines, the risks associated with leasing such aircraft or engines to air carriers, and the risks inherent in disposing of such aircraft or engines. The Board regularly receives reports from the President on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Company's Chief Financial Officer (who is herself a member of the Board) is directly responsible for a number of financial risks, such as the risks associated with the Company's credit and liquidity. The Board regularly receives reports from the Chief Financial Officer on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Board also meets and confers regularly with the Company's management to identify other risks faced by the Company. The Company believes that the inclusion of these members of senior management of the Company on the Board provides the Board with visibility into and access to the details underlying the risks the Company faces, and thereby enhances the quality of the Board's risk oversight. Also, the Audit Committee oversees management of certain specific financial risks, such as variable interest rate risk.

Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting and be available for questions from the stockholders. All directors, including the director nominated for election, were in attendance at the 2012 Annual Meeting. It is anticipated that the directors nominated for election at the 2013 Annual Meeting will also be in attendance at that meeting.

Board Independence

If the nominees to the Board of Directors are elected, a majority of the Board of Directors of the Company, consisting of Messrs. Orr, Hahn, and Wallach, will be "independent directors," as defined in accordance with Section 803A of the NYSE MKT Company Guide.

Involvement in Legal Proceedings

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or with a material interest adverse to the Company.

Director Compensation

Non-employee board members are paid an annual fee in quarterly installments and are also reimbursed for all reasonable out-of-pocket costs incurred in connection with their attendance at such meetings of the Board of Directors. The Company increased the annual fee payable to non-employee directors from \$20,000 to \$25,000 effective beginning in the fourth quarter of 2012, resulting in payment of an annual fee of \$21,250 to each non-employee director in 2012. Non-employee members also receive \$1,000 annually for each committee membership, and the audit committee chair receives an additional \$3,000. Board members who are officers of the Company do not receive any compensation for Board or committee membership. No member of the Company's Board of Directors receives equity compensation in relation to his/her service as a member of the Company's Board of Directors.

The table below provides the compensation of the Company's directors for the fiscal year ended December 31, 2012:

Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its executive officers. Instead, the executive officers of the Company are compensated in their capacities as employees of JMC. JMC is an at-will employer, and none of the Company's current executive officers has an employment agreement with JMC. The compensation paid by JMC to the Company's executive officers consists solely of base salary plus bonus payments. Mr. Neal Crispin, in his capacity as President of JMC, has sole discretion in determining annual salary and bonus payments for the JMC officers and employees, including his own salary and bonus.

The following table sets forth certain information for the fiscal years ending December 31, 2012 and December 31, 2011, concerning compensation paid by JMC to the Company's executive officers who were serving as such at December 31, 2012:

JMC Management Fee and Risk Management

Because the Company has no employees, it has no compensation policies or practices that are reasonably likely to have a material adverse effect on the Company. However, the structure of the Company's management fee arrangement with JMC may affect the Company's risk exposure. All decisions regarding acquisitions and disposal of assets from the Company's portfolio are made by JMC. JMC is paid a management fee based on the net asset value of the Company's portfolio. JMC also receives a one-time asset acquisition fee upon purchase of an asset by the Company, and a one-time sale fee upon disposal of an asset and may receive a remarketing fee upon the re-lease of an asset.

Under this management fee structure, a larger volume of acquisitions generates acquisition fees and also increases the periodic management fee by increasing the size of the asset portfolio. This management fee structure may create a situation where a decision by JMC for the Company to forego an asset acquisition transaction deemed to be an unacceptable business risk due to the lessee or the asset type is in conflict with JMC's own pecuniary interest, and conversely a situation where a decision by JMC for the Company to pursue an asset acquisition transaction that presents significant business risk due to the lessee or the asset type furthers JMC's own pecuniary interest. As a result, the management fee structure could act to incent greater risk-taking by JMC in asset acquisition decision-making.

The Company has established objective target guidelines for yields on acquired assets. Further, the Board, including outside independent directors, must approve any acquisition that involves a new asset type. While the Company currently believes the foregoing are effective mitigating factors against undue compensation-incented risk-taking by JMC, there is no assurance that such mechanisms can entirely and effectively eliminate such risk.

Compensation Committee Interlocks And Insider Participation

Neal D. Crispin and Toni M. Perazzo are executive officers and directors of both the Company and JMC. As described above under "Employee Compensation," the Company receives management services from JMC and has no employees and does not pay any compensation to its executive officers. The Company does not have a compensation committee because it has no employees. None of the Company's executive officers serves on a compensation committee (or any other committee of the board of directors performing similar functions), and there were no interlocks or insider participation between any member of the Board of Directors and any member of the board of directors or any compensation committee of another entity.

RELATED PARTY TRANSACTIONS

Management Agreement. JMC acts as the management company for the Company under the Management Agreement, dated December 31, 1997, as amended on February 3, 1998, between JMC and the Company (the "Management Agreement"). The officers of the Company are also officers of JMC and two members of JMC's Board of Directors are on the Board of Directors of the Company.

Under the Management Agreement, the Company pays a monthly management fee to JMC equal to 0.25% of the net book value of the Company's assets as of the end of the month for which the fee is due. In addition, JMC may receive an acquisition fee for locating assets for the Company, provided that the aggregate purchase price including chargeable acquisition costs and any acquisition fee does not exceed the fair market value of the asset based on appraisal, and may also receive a remarketing fee in connection with the sale or re-lease of the Company's assets. The management fees, acquisition fees, and remarketing fees may not exceed the customary and usual fees that would be paid to an unaffiliated party for such services. During 2011 and 2012, the Company recognized as expense \$3,715,400 and \$4,166,200, respectively, of management fees payable to JMC. In connection with asset purchases during 2011 and 2012, the Company paid JMC a total of \$184,000 and \$1,066,000, respectively, in acquisition fees, which are included in the capitalized cost of the assets. Remarketing fees accrued to JMC were \$363,500 and \$259,000 in 2011 and 2012, respectively.

Office Space. The Company maintains its principal office at the offices of JMC at 1440 Chapin Avenue, Suite 310, Burlingame, California 94010, without reimbursement to JMC.

Certain Transactions. In August 2009, the Company entered into an agreement (the "Assignment Agreement") with Lee G. Beaumont in which Mr. Beaumont assigned to the Company his rights to purchase certain aircraft engines from an unrelated third party seller. In January 2012, Mr. Beaumont became a "related person" with respect to the Company due to his acquisition on the open market of shares representing over 5% of the Company's Common Stock. Mr. Beaumont received the second and the third final installments of \$66,700 due under the Assignment Agreement from the Company in the years ended December 31, 2011 and 2012, in addition to certain fees paid by JMC to Mr. Beaumont in connection with placement of the engines with new or renewing lessees.

In connection with a subordinated debt financing entered into in 2007 and 2008, the Company issued notes with an aggregate principal amount of \$14 million and warrants ("Warrants") to purchase up to 81,224 shares of the Company's Common Stock exercisable upon repayment of the notes on December 30, 2011. The Warrants are now held by various entities affiliated with Whitebox Advisors, LLC ("Whitebox Entities"). Since the Warrants became exercisable on December 30, 2011, and the shares issuable upon exercise of the Warrants constitute over 5% of the Common Stock of the Company, the Whitebox Entities became "related persons" with respect to the Company on October 31, 2011. The subordinated debt was fully paid on December 30, 2011, and the Whitebox Entities received \$228,200 and \$0 in interest payments during 2011 and 2012, respectively.
